

VOTE

Be Counted. Vote!

Election Watch 2008

If credit union people don't vote, credit union people don't count.

Every vote counts. That's why it's important for each of us to become more informed as to where our elected officials stand on the issues we care about, so that we can make responsible voting decisions and truly be counted.

As credit union members, we need to let politicians know where we stand, what our concerns are and what we think. As credit union members, we need to ensure that the credit union vote counts.

It's Time to be Counted...Vote on November 4th!
